PROJECTS

Digital Media Capstone — Fall 2021

In this project I was the Head Creative Director for an XR Stage experience that included elements like:

Live Rendered 3D Objects that reacted in real time to music
Full XR Stage with 3 projection walls and a greenscreen floor I built
Console board that could change elements of the show on the fly
Camera Tracking for the XR Live output

In this project I learned a lot about Project Management as well as honing my concepting skills.

Digital Media Capstone — Spring 2022

I am currently in the process of beginning another capstone this semester for Silent Partners Studio.

EDUCATION

Miami University, Oxford OH — *Interactive Media Studies*

August 2018 - May 2022

Minor in Photography

Head of Social Media for NXLVAV Club (Next Level AV Club)

St. Xavier High School, Cincinnati OH

2014 - 2018.

EXPERIENCE

Miami University College of Engineering and Computing, Oxford OH — *Social Media Coordinator*

March 2021 - Current

I am the head strategist for the College's social media presence, as well as posting the content myself onto the Facebook and Instagram pages. I collect most of the content myself including photographs, infographics, and videos.
